

SIYABONGA MAKHUBU

Aspiring Software Developer | C#, [ASP.NET](#) Core, JavaScript syabongokuhle18@gmail.com |
0767175041 | Johannesburg, Gauteng

SUMMARY

Aspiring Software Developer with hands-on experience building full-stack web applications and RESTful APIs using C#, [ASP.NET](#) Core, JavaScript, HTML, and CSS. Passionate about software engineering, backend development, and creating scalable solutions through real-world projects, including portfolio websites and authenticated API systems. Eager to apply strong problem-solving skills, technical knowledge, and a continuous learning mindset in a Software Developer Internship role. In addition, I'm a BSc Computer Science and Information Technology graduate.

EDUCATION

University of KwaZulu-Natal – BSc in Computer Science and Information Technology – Durban, KZN *May 2023 Injabulo*
Combined School – Matric – Piet Retief, Mpumalanga *Dec 2017*

EXPERIENCE

MultiChoice – Revenue Assurance Graduate – Johannesburg, GP

Mar 2023 – May 2025

- Managing SQL scripts to pick up discrepancies between our billing system and our provisioning system, driving the optimization of the company's revenue return for the services rendered, and using Power BI to keep track and manage the data for discrepancies.
- Ensuring that a company's revenue streams are accurate, secure, and optimized.
- Cultivated relationships with external partners, including vendors and consultants, to enhance support for revenue assurance objectives.
- The main objective is to prevent and recover revenue loss using software and data analytical skills.
- Managed SQL scripts to identify discrepancies between the billing and provisioning systems.
- Monitored revenue assurance KCIs and KPIs to mitigate risks of revenue loss and minimize customer impact.
